This Agreement shall be in force from January 1, 1980 to December 31, 1981, and the status quo shall remain in full force and effect until a successor agreement is executed. All economic provisions of this Agreement shall be retroactive to January 1, 1980 except as otherwise herein provided.

ARTICLE III - COLLECTIVE NEGOTIATING PROCEDURE

2. The County agrees that all benefits provided to the Locals in the Agreement covering the years 1974-1975, as well as those provided during the years 1976-1977 when no signed agreement between the parties existed, ^{and 1978-1979 JOK} as well as written regulations, orders and policies with respect to terms and conditions of employment pertaining thereto, shall be maintained during the term of this Agreement except as herein changed, modified or altered by or deleted from the provisions of this Agreement.

ARTICLE V - DISCRIMINATION

There shall be no discrimination, interference or coercion by the employer or any of its agents against the employees represented by the unit because of membership of activity in either the PBA or group constituting said unit.

ARTICLE VI - NOTIFICATION OF CHANGES

The County shall continue to provide all employees and members of their immediate family covered under the present coverage with like or similar hospitalization and other insurance, as is now provided. In the event that the insurance carrier presently covering the hospitalization and medical insurance for the County shall refuse to carry or continue said insurance coverage, then, in that event, the County shall immediately apply to a new insurance company for the identical insurance as is now provided, provided that there shall be no interruption of insurance coverage afforded. In the event that there is any insurance interruption on coverage, then the County shall be responsible for the period during said interruption and shall pay all medical bills incurred, as would have been paid had the policy remained in effect.

2. Summer, seasonal and per diem workers are not eligible.

3. In accordance with the provisions of Chapter 11, Public Laws of 1973, premiums for benefits in the State Health Benefits Program shall be paid by the County for those employees in the unit who retire, providing that they have served a minimum of twenty-five (25) years as set forth in the Act.

4. Employees covered under this Agreement shall be entitled to membership in the New Jersey Dental Service Plan, Inc. (The Delta Dental Plan), Group No. 316701, as exists in the current contract of Council NO. 5, N.J.C.S.A., on the same voluntary, 50/50 contributory basis.

ARTICLE X - WORK SCHEDULE, OVERTIME

1. The regular normal work week shall be defined as starting at 12:01 A.M. on Sunday and terminating at 12:00 midnight on Saturday.

2. The work day shall be eight (8) hours and forty (40) hours per week for PBA Local 134 and FOP Lodge 33 (Sergeants-at-Arms) and six and one half ($6\frac{1}{2}$) hours per day, thirty-two and one-half ($32\frac{1}{2}$) hours per week for PBA Local 203 (Weights and Measures). The Locals schedules shall be at the discretion of the respective department heads.

3. Any employee who shall be called back to duty shall be paid at a rate of straight time or time and one-half, whichever is appropriate, provided, however, if the employee is called back to duty, he shall be paid a minimum of four (4) hours or the actual hours worked, whichever is greater. Call back shall mean, any employee called to duty more than one (1) hour prior to commencement of the assigned tour of duty or called back to duty after he has completed a regular tour of duty, provided that the employee is called back after he has left his assignment.

4. If any employee is called to duty on his day off he shall be paid a minimum of four (4) hours pay at time and one-half. If he is on duty for more than four (4) hours, he shall be paid for

a full day.

5. Employees shall be entitled to be paid for court appearance on after duty hours or on days off in accordance with the above paragraphs, whichever may apply.

6. If the regularly scheduled day or tour of day of an employee has been established in advance by a schedule and is changed from that day or tour of a day by the department head within seventy-two (72) hours of the scheduled day or tour, then the employee shall receive overtime for the new hours he is assigned to work at time and one-half. Each change shall be individually noticed.

7. Compensatory time off shall not apply in the Sheriff's Department or with respect to Sergeants-at-Arms, except for Superior Officers. Compensatory time off in the case of Local 203 may be utilized where an employee has earned overtime but elects to take compensatory time off, with the permission of his department head, prior to the next pay period. Where the overtime earned is at time and one-half, the compensatory time may be taken at time and one-half. The maximum CTO which may be accumulated is eighty (80) hours.

8. With respect to Local 134 (Sheriff's Department), all overtime shall be scheduled to give as near as practicable an equal amount of overtime to all personnel. An alphabetical list containing all the names of provisional and permanent employees of the department shall be maintained by the department. Starting January 1, 1980, overtime shall first be offered to the first name appearing on the list as may then be in effect. Thereafter, overtime shall be offered to the next person as his or her name may appear on the list as suitable overtime shall become available.

It is further recognized that overtime may occur when the first eligible name is regularly assigned. In that event, the overtime shall be offered to the next name.

It is further recognized that some personnel may not desire overtime and may request in writing that his or her name be passed over on said list as overtime would have been offered. This may be granted by the Sheriff or his representative but a person may not decline in an emergency or where he is directly ordered to duty.

Overtime shall be offered without favoritism. At the end of each three (3) months of the year, two (2) representatives of the PBA shall meet with the Sheriff or his representative and review the overtime of the permanent personnel.

9. In the event of personnel assigned to guarding of prisoners at Bergen Pines and other like locations, the officer or officers assigned shall be of the same sex as the prisoner or prisoners guarded, whenever possible:

ARTICLE XI - PAY DURING ABSENCE

1. Unscheduled Absences - If, for any reason, an employee is unable to report for duty, he must notify his Department Head as soon as possible, and before his scheduled starting time.

2. Jury Duty - A leave of absence shall be granted to an employee called for jury duty. This leave of absence shall not be charged against employee's vacation or sick leave privileges. For the time served on the jury, full pay will be given according to the basic rate of pay usually received for a standard work period. Fees received as a juror, other than meal and travel allowances, shall be returned to the County.

3. Sick Leave

(a) If the employee is unable to report to work due to illness or for any other reason, it is essential that he notify his Supervisor or Department Head, according to the procedure established in his Department. Failure to give proper notification without just reason could result in disapproval of his request for sick leave or be considered as an unscheduled absence.

(b) The cause for the employee's absence must be reported daily, unless he provides adequate explanation and reason to cover several days. In any sick leave of five (5) days or more a doctor's certificate must be submitted. The Department Head retains the right in sick leave cases under five (5) days to conduct an inquiry into the sick leave request or to require examination by a county physician if he has any question in his mind as to the employee's condition.

(c) Sick leave must be earned before it can be used. Should the employee require none or only a portion of his earned sick leave for one (1) year, the amount not taken accumulates to his credit from year to year during his employment.

(d) Sick leave is earned and accumulated in the following manner:

One (1) working day for each full month of service during the remaining months of the first calendar year of his employment and fifteen (15) working days ($1\frac{1}{2}$ per month) for each calendar year thereafter. If the employee begins work after the fourth day of the month he does not earn sick leave for that month.

(e) Part time employees are eligible for sick leave. The amount earned is proportional to the allowance of a full time employee. It is determined by the number of standard hours worked

in each pay period.

(f) Summer, seasonal or per diem workers are not eligible for sick leave.

(g) Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease, attendance upon a member of the employee's immediate family seriously ill requiring the care or attendance of such employee, or absence caused by death in the immediate family of such employee. A certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave or leaves of absence of the employee or the need of employee's attendance upon a member of the employee's immediate family. In the case of an illness of a chronic or recurring nature causing an employee's periodic or repeated absence from duty for one (1) day or less, only one medical certificate shall be required for every six (6) month period as a sufficient proof of need of leave of absence of the employee; provided, however, the certificate must specify that the chronic or recurring nature of the illness is likely to cause subsequent absences from employment. In case of leave of absence due to contagious disease a certificate from the Department of Health shall be required. In case of death in the family of the employee, any reasonable proof required by the Department Head shall be sufficient.

4. Injury Leave

(a) Injury leave, as distinguished from sick leave, shall mean paid leave given to an employee due to absence from duty caused by an accident, illness or injury occurred while the employee was performing his duties and which is covered by

Workers' Compensation Insurance.

(b) All payments which shall be made concerning injury leave are subject to the same rules and regulations as Worker's Compensation Insurance and shall not be made if the accident is proved to have been due to intoxication or willful misconduct on the part of the employee. If an employee, absent from work due to an accident, willfully fails to fulfill all of the conditions necessary to receive compensation benefits, he shall not be entitled to payment of any injury leave benefits from the County until such conditions have been fulfilled.

(c) The payments enumerated above will be made for a period not in excess of ninety (90) working days for each new and separate injury. After all injury leave is used, the employee may be granted additional injury leave only upon approval of the Board of Chosen Freeholders. After all injury leave is used, the employee may elect to use any sick leave, vacation or compensatory time due him at the time of the injury.

(d) Use of injury leave - Employees absent from duty due to an accident, illness or injury covered by Worker's Compensation Insurance, who have completed three (3) month's service, will be compensated by the County at the regular base rate of pay. Eligibility will be based on the determination of the New Jersey Division of Worker's Compensation under the terms of the New Jersey Worker's Compensation Act. In the event that the State determines in favor of the employee, sick leave so charged shall be reccredited to the employee's sick leave accrual balance.

(e) Contested injuries - Charges may be made against sick leave accrual, if any, in any case where the County is contesting that the injury occurred on the job. In the event that the State determines in favor of the employee, sick leave so charged shall be reccredited to the employee's sick leave accrual balance. In the event eligibility for payment is denied by the State, the employee shall be eligible to utilize sick leave accruals, if any, retroactive to the date of his injury, and to use vacation leave.

(f) Medical proofs - In order to limit the obligation of the County for each new and separate injury, the County may require the employee to furnish medical proof or submit to medical examination by the County at its expense to determine whether a subsequent injury is a new and separate injury or an aggravation of a former injury received while in the County service.

(g) When an employee has suffered an injury while on duty, and is absent for five (5) days or more, it will be necessary for him to submit a written certification from a physician setting forth the nature of the injury and the physician's prognosis as to the length of time before the employee can return to duty.

- (1) Additional reports shall be filed from the physician every two (2) weeks thereafter indicating the current status of the employee's health and the time of his anticipated return to duty.
- (2) In the absence of such certification, the employee shall be removed from injury leave.

5. Funeral Leave

Employees shall be entitled to four (4) working days leave with pay to attend or make arrangements for the funeral of a member of their immediate family. Immediate family is defined as and limited to spouse, son, daughter, mother, father, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, grandchildren or any other relative residing in the employee's household. Said death leave shall not be charged against employee's sick leave.

6. Terminal Leave

An employee, upon retirement, (service retirement, accidental disability retirement, ordinary disability retirement, early retirement and deferred retirement) or an employee who terminates his service after reaching age sixty (60) who is not covered by the Public Employee's Retirement System, shall be granted a terminal leave lump sum payment in accordance with Option 1 or Option 2, whichever the employee elects. In addition, in the event of the death of an employee whose pension rights have vested or who is eligible for early retirement or who has reached the age of sixty (60), then the estate of that employee shall be eligible for terminal leave lump sum payment according to the option selected by the estate:

Option 1 - One half of the employee's earned and unused accumulated sick leave multiplied by his daily rate of pay based upon the average annual base pay received during the last year of his employment prior to the effective date of his retirement, provided however, that no such lump sum payment shall exceed Twelve Thousand (\$12,000.00) Dollars.

Option 2 - One day of pay for each full year's service with the County of Bergen.

In the event of the death of an active employee with seven (7) years of service, terminal leave shall be paid to his estate in accordance with the option selected.

7. Leave of Absence

(a) Leave without pay - A permanent employee may, for reasons satisfactory to the County, be granted a personal leave of absence without pay or services credit for time absent for a period up to six (6) months. In exceptional circumstances, such leave may be extended for an additional six (6) months, provided it is considered to be in the best interest of the County.

- (1) Ordinarily, a personal leave of absence or an excused absence will not be granted to an employee for the purpose of seeking or accepting employment with any other employer.
- (2) Personal leaves of absence are granted with the understanding that the employee intends to return to his County duties. If an employee fails to return within five (5) working days after the expiration of the leave of excused absence, he may be considered to have resigned and not in good standing.
- (3) Employees on leave without pay for more than two (2) weeks in any month will not receive paid health benefits, holiday pay, nor will they accrue sick and vacation time.

(b) Maternity Leave - Upon request, a female employee with permanent status may use her accumulated sick leave for maternity purposes.

- (1) An employee requesting maternity leave should report her pregnancy not later than the end of the fourth month. If there are any personal questions pertaining to Maternity Leave, the

employee can ask her Department Head to schedule an appointment with the registered nurse in the Medical Clinic.

- (2) An employee while on paid maternity leave is considered to be an active employee and as such will continue to accrue sick leave, vacation, holiday pay and other benefits paid for by the County.

(c) Military leave shall be granted as prescribed by Federal or State Law.

ARTICLE XII - VACATION

1. Vacations shall be scheduled in a uniform manner in accordance with seniority, where practicable, subject only to the requirements of the Department.

2. The vacation period shall commence January 1 and continue until December 31 of each year. The vacation allowance shall be as follows:

- (a) Employees shall earn one day per month in the first year of employment for the first eleven (11) months and four (4) days eligibility in the twelfth month, provided the initial date of hire commences on or before the fourth calendar day of the month.
- (b) From the beginning of the second year, to and including the fifth year, employees shall earn vacation at the rate of one and one-quarter ($1\frac{1}{4}$) days per month.
- (c) From the beginning of the sixth year and thereafter, employees shall earn vacation at the rate of one and two-thirds ($1\frac{2}{3}$) days per month.
- (d) Vacation may be accumulated as set forth in the Civil Service Act.

ARTICLE XIII - PERSONAL LEAVE

1. Each employee shall be entitled to take one (1) day of personal leave with pay during each year of this Agreement. The Department Head must be notified of the personal leave request and prior approval of the Department Head must be obtained.

2. Summer, seasonal and per diem workers are not eligible.

ARTICLE XIV - HOLIDAYS

Washington's Birthday	Veteran's Day
Good Friday	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Independence Day	Christmas Day

2. If a holiday falls during an employee's vacation, he shall be granted an additional day of vacation. Present Jail and Identification Bureau policy is excepted, since holidays are built into the schedule.

3. Holidays falling within a period of paid absence will entitle the employee to pay for such holidays. Periods of paid absence are: Sick leave, injury leave, terminal leave, jury duty leave, maternity leave, compensatory time off and vacation leave.

4. Holidays falling during an unpaid leave of absence will not be credited.

ARTICLE XV - GRIEVANCE PROCEDURE

1. The purpose of the grievance procedure shall be to settle all grievances between the County and the Locals as quickly as possible, so as to insure efficiency and promote employee's morale.

2. A grievance is defined as any disagreement between the County and the Locals involving the interpretation or application of a regulation, violation of agreements and suspension.

3. All grievances shall be processed as follows:

- (a) They shall be discussed by the employee(s) involved and the Local representatives with the immediate Superior designated by the Department Heads. The answer shall be made within three (3) days by such immediate Superior, to the Local.
- (b) If the grievances are not settled through Step 1, the same shall be reduced to writing by the Local and employee(s) and submitted to the Department Heads, or any person designated by him, and the answer to such grievances shall be made in writing, with a copy to the Local or employee(s) within five (5) days of their submission.

The arbitrator appointed shall have full power to hear the grievance and make a final decision, which decision shall neither modify, add to, nor subtract from the terms of the Agreement and the referenced policies. The decision of the arbitrator shall be binding on both parties. The cost of the arbitrator and his expenses shall be borne equally by both parties.

5. Nothing herein shall prevent any employee from processing his own grievance, providing the Locals and representatives may be present.

6. If an employee elects to appeal a suspension of more than five (5) days or a dismissal through Civil Service channels, it may not subsequently be processed as a grievance.
